KymanoxWORKS License & Use Agreement

By downloading and using this document package, the customer agrees to abide by the following terms of use:

1. All templates, instructions, and ancillary documents included in this package, including but not limited to quizzes, answer keys, job aids, and handouts, are copyrighted and remain copyrighted by Kymanox.
2. The customer may modify the document to fit their needs, incorporate it into their document control system, and own the modified work in perpetuity.
3. Kymanox is not responsible or liable for any modifications made to the document(s) by the customer.
4. The customer may not distribute the document package outside of their organization in any manner without prior written authorization from Kymanox. To request permission, contact info@kymanox.com.
5. The customer may not distribute outside their organization any document that has been created using a Kymanox template or other document without prior written authorization from Kymanox. To request permission, contact info@kymanox.com.
6. The customer agrees to honor the terms of payment presented to Kymanox. If the terms of payment are not honored, Kymanox rescinds all rights to use the document package or any work derived from the document package.
7. Purchase of this document package entitles the customer to updates to the document package for a total of 6 months following the initial date of purchase.
8. The customer is responsible for understanding the contents of the documentation package and for correctly applying to their operational needs.
9. The Adobe PDF versions of the documents included in each document package serve as the permanent record of the package as prepared by Kymanox. The customer may not alter these files, but the customer may make copies and alter the copies.
10. This License Agreement applies to document packages generated by Kymanox as well as packages generated by Kymanox partnering organizations.
